INTERVIEW SUMMARY

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sirs:

The Applicants thank the Examiner for courtesies extended during the interview with Angelo M. Gaz on April 17, 2008. During that interview, the Applicants' responses filed February 26, 2008 to the §§ 101 and 102 rejections of the November 1, 2007 Office Action were reviewed and discussed. Also, the definition of and difference between a control element and a control object were discussed and Applicants provided examples of the difference between a control element and a control object by referring to figures and sections of the specification.

The Examiner agreed to enter the current amendment and to receive a Supplemental Amendment having remarks and claim amendments further describing the control objects, control elements, and differences therebetween. No allowable subject matter was agreed to.

The Examiner indicated that a further Office Action would not be mailed until at least May 16, 2008.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
